

SAFETY CORNER

Bel-Air Bay Club is launching a NEW Safety Incentive Program!

With the new Safety Incentive Program, Bel-Air Bay Club Employees can win great prizes by working safe. Any time a supervisor, manager or member of the Safety Committee observes you working safely on the job, you could be handed a special safety ticket as a reward for your good work!

HOW DO I GET A SAFETY TICKET?

Some actions that could win you a prize include, but are not limited to:

- ▶ Good housekeeping in the work area
- ▶ Performing a job properly (safely)
- ▶ Helping a peer/co-worker work safely
- ▶ Making a helpful safety suggestion
- ▶ Knowing the answer to a safety question
- ▶ Attending a safety training session and correctly answering questions about the session
- ▶ Having a safety suggestion become implemented
- ▶ Reporting a potential minor safety hazard
- ▶ Reporting a potential major safety hazard
- ▶ Exceptional performance during a training session
- ▶ Exceptional performance during a drill
- ▶ Exceptional performance or safe actions during a real emergency

WHAT DO I DO WITH THE SAFETY TICKET?

Take your ticket to Dale at the Lower Club or Teresa at the Upper Club to claim your prize: a \$25 gift card of your choice plus a special Safety Award pin to show off to all your co-workers and display what an awesome and safe employee you are!

BUT WAIT, THERE'S MORE!

Every time you win a safety ticket, you also win a point for your team! Every two months, the team with the most points wins the grand prize of a team party with food of their choice and more fabulous prizes. Help your team win by cheering on their safe behaviors in the workplace and become the ULTIMATE safety winners!

Check the employee web page or employee areas at the Club for team groupings. Get together with your team mates to come up with a clever (work appropriate) name. Let your Safety Department representative know your team name or email it to safetycommittee@belairbayclub.com by July 1.

Questions? Talk to your department's Safety Committee rep or email safetycommittee@belairbayclub.com.

We all win when we work safe!
